WAIWERA SOUTH 9584

7/6/2016

Dear Sir

On behalf of Waiwera South School, we are writing to you to thank you for the grant you gave our school so we could purchase ottomans for our classrooms.

There are two ottomans in each of our Junior, Middle and Senior classrooms. We use them when we are working in class and we are loving them! They are really easy to move around the class which means we can work on them almost anywhere.

Our classrooms are Innovative Learning Environments which means we have a range of furniture to sit on and work at. This furniture includes: bean bags, couches, a keiva, chairs, three tables, a big long desk and a leaner. We have lots of areas we can choose to work at and the ottomans have been a wonderful addition to this.

Thank you once again for your generosity. It is very much appreciated by all of the students and staff here at Waiwera South School.

Yours faithfully,

Ally Ward and Amy Liggett
